Odeh Muhawesh is a respected theologian, captivating speaker, brilliant teacher, and wildly successful entrepreneur who has humbly dedicated his life to seeking knowledge with a divine aim and inspiring others to do the same. He composes his moving, knowledge-packed, scripture-backed speeches on the way to an event itself, and each speech is worthy of being recorded for broadcast publication.

We will have a Q & A time after his presentation, so come and ask him ANY philosophical or religious question for which a satisfactory, logical answer has eluded you. Ask him to explain ANY tidbit you've heard about Islam that seems unjust. Ask him ANY question you have about Islam, and he will answer respectfully, satisfactorily, and logically as God wills. There is no such thing as blind faith in Islam. Every hard question deserves an answer. Please RSVP to 612-216-2478 or islamicmediamn@gmail.com by March 10th.

“I want to thank you personally for presenting such an academically enriching approach to your own religion while keeping in mind the beliefs of others in the classroom.” —a recent student of O. Muhawesh
